TAMASHA SD

ABOUT US

Tamasha SD is a nonprofit, student-run organization at UC San Diego dedicated to celebrating South Asian Culture through high-energy performances, creativity, and community.

Each year, Tamasha hosts two premier intercollegiate dance competitions: a Bollywood Fusion competition and a Raas-Garba competition. These events bring together collegiate teams from across the country to compete for the opportunity to qualify for prestigious national championships, including Legends (Bollywood Fusion) and Raas All Stars (Raas-Garba).

Beyond its competitions, Tamasha hosts its annual showcase and participates in campus and community events, engaging hundreds of students, alumni, families, and supporters while promoting diversity, inclusion, and cultural appreciation throughout the UC San Diego community. As an organization, Tamasha also fosters leadership, teamwork, and personal growth, creating lifelong friendships and meaningful experiences for its members.

TAMASHA SD

WHY TAMASHA?

Partnering with Tamasha provides your business with meaningful exposure to a diverse and highly engaged audience of UC San Diego students, alumni, families, and members of the San Diego community.

We have:

- 500+ local attendees
- 2,000+ followers across social media platforms

Sponsors gain valuable visibility through digital marketing, event promotions, and on-site recognition. Sponsorships directly enhance the experience of our dancers, competitors, and attendees by supporting high-quality production, enriching event programming, and expanding performance opportunities.
